Mistletoe Market & William King Museum of Art Additional Information

Mistletoe Market is the biggest fundraiser of the year for William King Museum of Art, which is located in historic Abingdon VA in a 1913 school building adapted in 1992 as a museum. It exhibits 8-10 changing art exhibitions annually in three high-security, climate-controlled galleries. Exhibitions are planned to showcase art from around the world, both historic and contemporary, within the continuum of artistic trends in the region today and the cultural heritage of the region. A special gallery holds the museum's permanent collection of regional decorative arts and material culture. Extensive education programs for adults and children include both outreach programming through twelve school districts and on-site classes, workshops, and tours. Art Lab is the museum's new education wing with resident studio artists, classrooms, labs, and open maker spaces. The new Worrell Wing at WKMA, containing a gift of Animal Art from Gene & Ann Worrell, is set to be completed in early 2026. The WKMA campus is also undergoing renovations to turn the lower lawn into a community park, complete with walking trails and sculpture gardens.

Mistletoe Market, set for November 7-9, 2025, will mark the 26th anniversary of this prestigious holiday shopping extravaganza, a proven success for participating Merchants and Artisans and the only holiday gift market of this caliber within a 150-mile radius. Our jury committee will select up to 110 booths, basing their decision on high-quality goods with strong market appeal. The quality, variety and uniqueness found at Mistletoe Market helps to set the hallmark of excellence as well as the exclusive boutique atmosphere the public has come to expect from this event. Mistletoe Market helps fund William King Museum of Art's educational programming, as well as its ever-changing schedule of exhibitions. Without the help of the merchants and patrons of Mistletoe Market, WKMA would not be able to provide the high standard of programming it is known for.

Mistletoe Market, a ticketed event, is held in the Southwest Virginia Higher Education Center, a state-of-the-art facility, directly adjacent to Interstate 81 at Exit 14.
