

Panoramic Gallery Artist Submission Form

Thank you for your interest in having an exhibition in the Panoramic Gallery at William King Museum of Art! Our mission is to provide arts education by exhibiting fine arts and preserving the region's cultural heritage. As Curator of Contemporary Art & Craft, I aim to curate exhibitions that highlight the work of regional contemporary artists, broaden the understanding of contemporary art, present diverse perspectives and narratives, and foster meaningful support for local artists and creative communities. The Panoramic Gallery supports currently enrolled collegiate-level students who have strong ties to the Appalachian region, providing a platform for emerging artists to develop and share their work.

To be considered for an exhibition at the William King Museum of Art, please email imonyak@wkmuseum.org the following information in a single PDF:

- (1) Personal Information including: full name, contact information (phone number, email address), school information (school name, year, major), and social media/website dedicated to art if applicable
- (2) A document with your official exhibition proposal. The best proposals describe your exhibition overview, thematic structure, featured works, alignment with William King Museum of Art, and brief artist bio.

Rest assured that I will study in depth each and every submission and will be in contact if I believe your proposal would be a wonderful fit in the museum.

Thank you so much for your time and sharing your work. If any questions arise, please feel free to email me at imonyak@wkmuseum.org
